Re: Radio Announcement

Steuben County Government, in conjunction with the Steuben County Health Department, would like to remind residents and our out of town visitors to stay at home, monitor for fever, cough or shortness of breath, maintain social distancing of at least 6 feet and to maintain proper handwashing techniques.

We are requesting out of town visitors entering Steuben County to quarantine for at least fourteen (14) days in an effort to slow the spread.

With everyone doing these things, it will help keep people safe and slow the spread. Thank you!
