Engineering Services Agreement for the Extension of Natural Gas Facilities

Engineering Services Agreement. This Engineering Services Agreement (“Agreement”), dated as of “February 24, 2025” between the Steuben County Board of Commissioners (“Applicant”), with its offices located at 317 South Wayne Street, Angola, IN 46703, and Northern Indiana Public Service Company LLC (“NIPSCO”), an Indiana Limited Liability Company, with its offices located at 801 E. 86th Street, Merrillville, Indiana 46410, summarizes discussions and authorizes NIPSCO to perform certain engineering services set forth below to determine an estimated cost for NIPSCO to construct necessary natural gas facilities to Steuben County with the intent to provide natural gas service to potential end use customers located in Steuben County.

NIPSCO will perform the **Engineering Activities** in good faith in a commercially reasonable time frame and manner. While NIPSCO and the Applicant are the only parties to this Agreement and the Applicant bears all cost responsibility hereunder, the parties acknowledge that collaboration is likely to occur between and among the parties and other local representatives who the Applicant may designate.

SECTION 1: ENGINEERING ACTIVITIES. NIPSCO agrees to provide preliminary and initial Engineering Activities necessary to prepare a **High-Level Class 3** estimate of the potential costs to extend NIPSCO’s natural gas distribution system into Steuben County, Indiana. Such Engineering Activities shall generally consist of; a *Cost estimation for the design, Permitting, Right-of-Way Acquisition, Preparation of easement documentation, Long lead material acquisition if appropriate, and Construction contract preparation for any and all natural gas (“Gas”) facilities that would be necessary for NIPSCO to deliver the requested Gas service to one or more locations or sites located in Applicant’s political subdivision.*

SECTION 2: POTENTIAL GAS FACILITIES. Various potential locations for the terminus of Gas facilities are depicted in Attachment A (“Site(s)”). At a minimum, the Gas facilities necessary to provide Gas services to one or more of the Site(s) consist of installation of 48,000’ of 12” high pressure steel gas main designed for 720 psig and operating at 325 psig. The proposed 12” steel will be fed from an existing 8” high pressure steel main from NIPSCO’s existing Gas distribution system located on US 327. The Gas facilities shall include one mainline valve and the install of a launcher and receiver. The Gas facilities shall also include the installation of 1,500’ of new 12” Medium-density polyethylene (MDPE) pipe. To serve the proposed Site(s), a regulator station will be required. Additional assets required at the station will be, but are not limited to, a filter/separator, pipeline heater, regulator setting, meter setting, and non-primary relief valve. Sizing of all onsite equipment will be determined through collaboration with the Applicant and local representatives they designate and based upon final customers’ demand and delivery pressure.

SECTION 3: CHANGE IN SCOPE. The Gas facilities are subject to change pending receipt of the estimated customers’ usage and required delivery pressures and final engineering of the Gas Facilities necessary to provide natural gas services to potential customers. The proposed general

customers' site(s) layout along with the customers' load profiles details, subject to modification through collaborative input from the Applicant and designated local representatives, are identified in Attachment A to this Agreement.

SECTION 4: NO BINDING OBLIGATION. This Agreement does not constitute an agreement binding or requiring NIPSCO to upgrade, install or extend Gas facilities or deliver Gas to any Site(s). Any obligation on NIPSCO to upgrade, extend or install new Gas facilities is subject to a to be negotiated and duly authorized and executed definitive agreement (most likely a Facilities Extension Agreement).

SECTION 5: WORK PRODUCT. From the Effective Date and during negotiations with the Applicant regarding any such Facilities Extension Agreement(s) for the provision of Gas services to the Site,¹ the parties agree that NIPSCO (itself or through its affiliates and/or its contractors) will proceed with Engineering Activities for the construction and extension of the Gas facilities to the Site(s) to meet the customers' demand requirements. NIPSCO will use commercially reasonable efforts to complete the work pursuant to this Agreement and estimates that the work will be completed on or about December 31, 2025. Any work product associated with NIPSCO's activities under this Agreement will remain the sole property of NIPSCO. However, following completion of the work, NIPSCO will host a meeting with Applicant and relevant stakeholders who have executed the appropriate non-disclosure agreements to review the confidential work product that is pursuant to this Agreement, and NIPSCO will make a public version of the work product available to Applicant.

SECTION 6: CONFIDENTIALITY. Except to the extent related to the development of the Site, Applicant shall hold information received under this Agreement in confidence and shall not disclose such information to any third-party without NIPSCO's prior written permission, not to be unreasonably withheld. To the extent the Applicant shares any such information developed or obtained as a result of this Agreement with any third parties, Applicant shall notify NIPSCO of all such parties in writing and shall be required to ensure that such third parties maintain the confidentiality of such information. Applicant shall be liable to NIPSCO for any breach of any confidentiality obligations by the Applicant or by any third parties with whom the Applicant shares any confidential information.

SECTION 7: PAYMENT. The Applicant shall pay NIPSCO for Engineering Activities on a quarterly basis, with payments being made up front each quarter. Once NIPSCO receives each quarter's Engineering Activities payment, NIPSCO will commence performance of the Engineering Activities. If any quarterly payment is not made in a timely manner, then NIPSCO shall have the right to cease any and all Engineering Activities until it receives payment.

SECTION 8: UNANTICIPATED EXPENSES. NIPSCO does not anticipate that the total cost of the Engineering Activities will exceed One Million Dollars (\$1,000,000) ("Not to Exceed Amount"). If during the term of this Agreement, NIPSCO believes that Engineering Activities

¹ The parties acknowledge that this Engineering Services Agreement relates to expansion of NIPSCO's gas infrastructure to serve potential load growth in Steuben County, Indiana, and for purposes of this Engineering Services Agreement, the "Site" is the intersection of W 100 N and N 200 W in Angola, Indiana

will exceed the "Not to Exceed" Amount stated above prior to the completion of Engineering Activities, NIPSCO will notify the Applicant and will collaboratively work in good faith to amend this Agreement to accommodate the forecasted increased cost requirements or change in scope for Engineering Activities. NIPSCO shall have the right to cease Engineering Activities upon spending or committing to spend the above-referenced "Not to Exceed" Amount. NIPSCO and the Applicant acknowledge that such cessation of Engineering Activities could delay the provision of Gas service to the Site. Any increase in the "Not to Exceed" Amount shall be promptly memorialized in an amendment to this Agreement. **In the event Applicant elects not to pay such additional amounts, NIPSCO shall not have any obligation to perform any additional Engineering Activities under this Agreement.**

SECTION 9: TERMINATION. Applicant may, upon two (2) business days' written notice to NIPSCO, terminate this Agreement at any time. If Applicant terminates this Agreement prior to the completion of the Engineering Activities, then Applicant shall be entitled to prompt refund of funds not spent by NIPSCO. To the extent that such Engineering Activities include the acquisition of land or long lead materials, Applicant will receive credit for any net value realized from any resale, reuse, or refund received, which are related to such acquisitions.

Prior to the conclusion of Engineering Activities as defined in this Engineering Service Agreement, NIPSCO will meet with the Applicant to review the results of the Engineering Services Agreement collaboratively and explore the potential future expansion of natural gas facilities within Steuben County and its towns, cities and rural areas. Those who are not parties to this Agreement may be invited to this meeting by mutual agreement between the parties, not to be unreasonably withheld.

SECTION 10: MISCELLANEOUS. This Agreement may only be amended by a written instrument executed by authorized representatives of both parties. Neither party may assign this Agreement or transfer any rights, claims, or obligations under this Agreement without the prior written consent of the other party. This Agreement shall be governed by and construed in accordance with the laws of the State of Indiana, without regard to the choice of law provisions of Indiana which would require reference to the laws of some other state or jurisdiction. All claims and suits arising hereunder shall be brought and heard only in federal or state courts located in Indianapolis, Indiana. The parties waive a trial by jury with respect to any dispute or controversy arising under or relating to this Agreement. No waiver by a party of any default(s) by the other party in the performance of any provision, condition or requirement of this Agreement shall operate or be construed as a waiver of any future default(s), whether of a like or of a different character, nor in any manner release the defaulting party from performance of any other provision, condition, or requirement herein.

Applicant represents and warrants that it has requisite authority to enter into this Agreement and that its representative signing this Agreement is authorized to bind and obligate the Applicant to the terms of this Agreement. Facsimile and pdf signatures shall be as legally binding and considered in all manner and respects as original signatures.

IN WITNESS WHEREOF, the parties, for and in exchange of good and valuable consideration, have caused this Agreement to be executed by their duly authorized representatives as of the Effective Date.

members will be paid quarterly in the last week of the last month for that quarter for all the meetings in which they attended during the quarter.

Work Schedules/Hours/Breaks

The Town of Clear Lake will establish the standard workday, workweek, and starting and ending times for each department, taking into account current and anticipated workloads, public service needs and other factors. Each department is responsible for communicating these work parameters to their employees, as well as the essential duties and responsibilities of each job. No established schedule will be construed as a guarantee of work hours or as a restriction of the Town of Clear Lake's right to restructure the workday or workweek.

At the discretion of the Supervisors, and the Clerk-Treasurer, nonexempt employees may be authorized to take break periods during each shift. Such breaks may not interfere with the proper performance of the employee's work responsibilities.

Base wages are set by this salary ordinance for 2025, and any changes will require approval from the Town Council via an amended salary ordinance.

- From August 29, 2025, through September 1, 2025, from 12:00 PM through 12:00 AM only

All hours worked outside of these premium hours will be paid at the employee's regular rate of pay. Premium pay will be used in the calculation of overtime in the event the employee works over 40 hours in the standard workweek.

Clerk-Treasurer's Extra Pay

The Clerk-Treasurer will receive additional compensation for completing the essential duties and responsibilities of the Finance Manager - Utilities in the amount of \$125.00 biweekly and paid from the Sewer Fund = 100%.

Overtime

Overtime compensation for all nonexempt employees will be paid in accordance with federal and state wage and hour restrictions for any time worked over 40-hours in a standard workweek for nonexempt employees. Overtime pay is based on actual hours worked. An employee's time off while using PTO, holidays, bereavement leave, or any leave of absence will not be considered hours worked for purposes of performing overtime calculations.

Flex-Time

The Town of Clear Lake may utilize flextime or flexible hours to avoid having nonexempt employees work more than the 40-hour workweek. When the need arises, the Supervisor or the Clerk Treasurer may approve flex-time scheduling. Flex-time is paid as time for time and must be taken within the same 40-hour pay period.

On Call Pay

An employee who is “on call” is required to be available to respond to the workplace in a timely manner. The definition of “on call” is being designated to be available to answer calls for their respective department during nonscheduled hours. Employees who are on an “on call” status will receive regular pay, only if they are called in to work. If an employee is called to work during non-scheduled times, they will be paid for at least one hour of work if town transportation is provided or two hours if the employee provides their own transportation.

Longevity Pay

The Clerk-Treasurer and all full-time employees will receive longevity pay for each full year that the employee is in active pay status with the Town of Clear Lake. Active pay status includes any absence when an employee is paid to include paid time off (PTO) benefits, holidays, bereavement leave, workers’ compensation, or military leave, but does include any time that an employee goes without pay for greater than 30 consecutive days. Longevity pay will be calculated as stated in the chart below:

Years of Active Service	Amount of Longevity Pay
On the employee’s one-year anniversary	\$1,000.00
On the employee’s second through fifth-year anniversary	\$1,250.00
On the employee’s sixth through ninth-year anniversary	\$1,500.00
On the employee’s tenth through fourteenth-year anniversary	\$1,750.00
On the employee’s fifteenth-year anniversary and beyond	\$2,000.00

Longevity pay will be paid on the pay date following an employee’s anniversary date. Longevity payments will be made from the respective budget funds identified in the 2025 Base Pay Rate Chart.

Holiday pay will be calculated based on the employee's straight time pay rate (as of the date of the holiday) times the number of hours the employee would otherwise have worked on that day.

A recognized holiday that falls on a Sunday may be observed on the following Monday. If a recognized holiday falls during an eligible employee's paid time off (PTO), holiday pay will be provided instead of the PTO that would otherwise have applied. Paid time off for holidays will not be counted as hours worked for the purpose of determining overtime.

Refer to the Town of Clear Lake Employee Handbook for additional information.

Paid Time Off (PTO) Benefits

Paid time off (PTO) is available to eligible full-time employees to provide opportunities for rest, relaxation, and personal pursuits. The amount of paid time off benefits an employee accrues each anniversary year increases with the length of their employment as shown in the following schedule:

Years of Employment	Accrual Rate	Number of Hours	Number of Days	Carryover Allowed
One-year of service through four-years of service	5.5 hours per 26-pay periods	143-hours	17.875 days	160-hours or 20-days per anniversary year
Five or more years of service	7.4 hours per 26-pay periods	192.4-hours	24.05-days	160-hours or 20-days per anniversary year

Upon termination of employment employees will be paid for all accrued, but unused PTO. Paid time off is paid at the employee's base pay rate at the time of the time off. PTO will not be used in the calculation of overtime.

Refer to the Town of Clear Lake Employee Handbook for additional information.

Bereavement Leave

Up to three consecutive paid days, as determined at the discretion of the Town Council, may be provided to eligible full-time employees who work at least 32 hours per week. The Town Council has the sole discretion to determine the amount of time off granted to employees in each bereavement situation depending upon the factors of each situation. Employees may, with their Supervisor's approval, use any available paid time off for additional time off as necessary. Bereavement pay is calculated based on the base pay rate at the time of absence and will not include overtime, or any special forms of compensation, such as incentives, commissions, bonuses, or shift differentials.

Refer to the Town of Clear Lake Employee Handbook for additional information.

Jury Duty

The Town of Clear Lake encourages employees to fulfill their civic responsibilities by serving jury duty when required. Employee classifications that qualify for **paid** jury duty leave are:

- Regular part-time employees

TOWN OF CLEAR LAKE, INDIANA

All PTO benefits will continue to accrue during jury duty leave.

Refer to the Town of Clear Lake Employee Handbook for additional information.

Witness Duty

If employees have been subpoenaed or otherwise requested to testify as witnesses by the Town of Clear Lake, they will receive paid time for the entire period of the witness duty. Employees will be granted unpaid time off to appear in court as a witness when requested by a party other than the Town of Clear Lake. Employees may use any available PTO benefits to receive compensation for the period of this absence; however, they are not required to do so. A subpoena should be shown to the employee's Supervisor, or the Clerk-Treasurer immediately after it is received so that operating requirements may be adjusted, where necessary, to accommodate the employee's absence. The employee is expected to report for work whenever the court schedule permits.

Refer to the Town of Clear Lake Employee Handbook for additional information.

Military Leave

Employees will continue to receive full pay while on leave for 15-day training assignments and shorter absences. The portion of any military leave of absence in excess of 15 days will be unpaid. However, employees may use any available PTO benefits for the absence.

Benefit accruals, such as PTO benefits, or holiday benefits, will be suspended during the leave, after the first 30 days and will resume upon the employee's return to active employment.

Refer to the Town of Clear Lake Employee Handbook for additional information.

Emergency Closings

In extreme cases, these circumstances may require the closing of a work facility. In the event such an emergency occurs during non-working hours the Town of Clear Lake will utilize a calling tree, text message, or email to notify employees of the closing. When the decision to close is made AFTER the workday has begun, employees will receive official notification from their Supervisor, or the Clerk-Treasurer. In these situations, time off from scheduled work will be paid. When the decision to close is made BEFORE the workday has begun, time off from scheduled work will be unpaid. However, with a Supervisor's approval, employees may use available PTO to cover the absence. In cases where an emergency closing is not authorized, employees who fail to report for work will not be paid for the time off. Employees may request available PTO benefits to cover the absence. Employees in essential operations may be asked to work on a day when operations are officially closed. In these circumstances, employees who work will receive regular pay.
