Dear Clear Lake Resident,

Please note that starting **January 1st, 2027**, trash/recycling will increase (recycling is included in the monthly sanitation/trash payment, there is no discount if you do use Washler's recycling program). The contract with Washler Inc., that passed at the November 2022 regular scheduled Town Council meeting, necessitates a rate increase to $28.27 a month (increase of $1.22 per month) per trash receptable. Thus, if you have two trash receptacles your rate increase will be $56.54 per month (increase of $2.44 per month). Please see below for an example of a monthly payment amount.

For those who write personal checks, initiate payment through a bill pay service, or have your bank cut the check to send to the Town Hall, please be sure to make the change **prior** to the due date of **January 1, 2027**. For those on autopay, please note the difference in the amount that we will automatically withdraw from your bank account each month.

Please note payments are due on the **1st of the month** and there is a **10% penalty** on payments received **after** the **15th** of the month.

If you have questions about your rate, please call the Town Hall (260) 495-9158 and we will be happy to assist you.

Current Rate: $27.05
New Rate: $28.27

Old Sewer/Trash Rate: $124.49 **New Sewer/Trash Rate: $125.71**

Thank you,

Clear Lake Town Hall
